1. About you or your organisation
2. Do you support the development of a National Cultural Policy, and why?
3. What are your views about each of the four goals?

GOAL 1: To ensure that what the Government supports — and how this support is provided — reflects the diversity of a 21st century Australia, and protects and supports Indigenous culture

GOAL 2: To encourage the use of emerging technologies and new ideas that support the development of new artworks and the creative industries, and that enable more people to access and participate in arts and culture

GOAL 3: To support excellence and world-class endeavour, and strengthen the role that the arts play in telling Australian stories both here and overseas

GOAL 4: To increase and strengthen the capacity of the arts to contribute to our society and economy

4. What strategies do you think we could use to achieve each of the four goals?
5. How can you, your organisation or sector contribute to the goals and strategies of the National Cultural Policy?
6. Are there any other goals you would like to see included in the National Cultural Policy?

* Essential.
